Pellatt, Sir Henry

April 1918

April 19th, 1918

Sir Henry Pellatt,

Bank of Hamilton Building,

Toronto.

Dear Sir Henry:

Yesterday Rabbi Jacobs spoke to me about his son in view of an application that he is making for a Commission in the Tank Company. My Committee is just now considering applications, and I assure you that Mr. Jacobs will get the fullest possible consideration, though I am not able to say yet what the nominations will be.

Yours sincerely,

President.
